## 8. Discussion Items

### A. Review of Article III of the City Charter

The committee began discussions on Article III of the City Charter, particularly the structure and election of city commissioners. As prepared by Chairperson Fontaine, committee members reviewed three possible options for taking action based on discussions at past meetings:

**Option 1:** No change, continuing the current at-large election system.

**Option 2:** Require commissioners to reside in specific districts, while still being elected at large.

**Option 3:** Create districts with commissioners elected solely by voters within their respective districts.

Committee members acknowledged both the opportunities and risks of implementing districts. Concerns were raised about potentially disrupting city leadership, the challenge of redistricting during periods of rapid growth, and the possibility of unintentionally concentrating representation from one geographic area. Others argued that district residency requirements would help ensure broader representation and prepare the city for long-term population changes, particularly given the rapid expansion of The Villages.

Several members expressed support for Option 2, noting the importance of guaranteeing representation from areas outside The Villages and allowing professional staff at the Supervisor of Elections office to handle district boundaries. Others preferred Option 1, emphasizing stability, the strength of at-large accountability, and the risk of districts fostering competition among wards instead of focusing on citywide needs. Option 3 was largely dismissed as too divisive.

After extensive discussion, the committee did not reach full consensus. The final outcome was a 3–2 preference for Option 1 (no change), but the committee agreed to note in its report to the Commission that both Options 1 and 2 were viable and had been carefully considered, leaving the ultimate decision to the City Commission.

The committee next discussed the position of Mayor and the process for which the Mayor is elected. Commissioner Elliott raised the question of whether the mayor should continue to be elected at-large by the public or instead be appointed by and from among the city commissioners, similar to the structure used by Sumter County. Members weighed the benefits of preserving voter control against the potential advantages of ensuring that an experienced commissioner serves as mayor. Ultimately, no member advanced a motion to change the current system, and the committee agreed to leave that section as is.

Finally, the committee reviewed qualifications for candidates for mayor and city commission. Under Article V, Section 3, the only requirements are U.S. citizenship, residency within the City of Wildwood, and voter registration. Members discussed the possibility of requiring a minimum residency period, with suggestions ranging from 90 days to one year. It was noted that case law has struck down longer requirements, such as two years, while one-year requirements have been upheld but not without question. The committee agreed this issue could be flagged for consideration, but no firm recommendation was made at this time.

Chairperson Fontaine concluded that while not all issues reached consensus, the committee had thoroughly examined the matters before it. The committee reflected on prior discussions, noting that districting was considered the most significant issue for review. With the committee

leaning toward recommending no changes to the current system or the City Charter as a whole, members agreed that pursuing additional ballot measures for other, less critical items would not be worthwhile at this time.

Members discussed the process for finalizing their recommendations and whether another meeting would be required. The City Attorney confirmed that, under Sunshine Law, a formal meeting would be necessary to review and approve the written report.

The committee agreed to schedule one final meeting to review the draft report summarizing its recommendations. The draft will be prepared in advance, reviewed for legal sufficiency, and presented for approval at that meeting.

**B. Begin Review of Article IV of the City Charter**

The committee next discussed the position of Mayor and the process for which the Mayor is elected. CHARTER REVIEW COMMITTEE  
CITY OF WILDWOOD, FLORIDA

# Citizens Charter Committee Report to the Commissioners of the City of Wildwood

## Completion of City Charter Review

To the Honorable Commissioners of the City of Wildwood,

On behalf of the Citizens Charter Committee, it is our privilege to formally notify you that we have completed our comprehensive review of the City Charter.

Throughout our deliberations, the committee carefully examined the Charter's provisions, assessed their effectiveness, and considered their alignment with the evolving needs and aspirations of our community. Our review process included thorough readings, consultations with city staff and legal counsel, as well as public input where appropriate.

At this time, we do not recommend presenting any revisions to the Charter to voters. This recommendation reflects the committee's consensus that, given the City's continued rapid growth, it is prudent to allow for further stabilization before considering structural changes. We believe that deferring amendments will best serve the interests of our residents during this dynamic period.

However, once the population stabilizes, the committee suggests it may be appropriate to consider the establishment of city districts. In such a system, commissioners would reside within the specific districts they represent, while still being elected by all voters citywide. This approach could enhance representation and accountability as the City matures.

We thank the Commissioners for entrusting us with this important responsibility and for your continued support of participatory governance. We remain available for any questions or further guidance as you review our work.

Respectfully submitted,

The Citizens Charter Review Committee

City of Wildwood

## **PART I – CHARTER**

### **ARTICLE I. – ESTABLISHMENT OF MUNICIPALITY**

The City of Wildwood’s municipal government existing under the name of the City of Wildwood was created by Chapter 9950 of the Special Acts of Florida of 1923 as amended and as re-created by Chapter 57-1950 of the Special Acts of Florida of 1957 as amended.

The municipal government existing under these acts was abolished by referendum on December 2, 2003, under Ordinance No. 411. Said referendum established the municipality to be called the “City of Wildwood”, in the County of Sumter, State of Florida, and created, organized, and established the City as a municipal body politic and corporate in perpetuity, under the name of “THE CITY OF WILDWOOD”. Additional changes occurred under Ordinance No. 02010-15, approved at referendum on December 7, 2010.

No lawful debts, obligations, or contracts of the said City of Wildwood as created by Chapter 57-1950 of the Special Acts of Florida of 1957 as amended or abolished by referendum on December 2, 2003, under Ordinance No. 411, as amended, were impaired or voided; but such debts and obligations passed to and were binding upon the municipality which was organized and created thereby.

#### Section 1-1. – Purpose.

We, the people of the City of Wildwood, Florida, desiring to avail ourselves of the right to establish a home rule charter form of government so, in accordance with the Constitution and the Laws of the State of Florida, ordain and establish this Charter and form of government for the City of Wildwood, Florida.

#### Section 1-2. – Body corporate and politic.

The inhabitants of the City of Wildwood, Florida, as its boundaries are established pursuant to Article I, Section 8, shall be and continue to be a body politic and corporate to be known and designated as “THE CITY OF WILDWOOD, FLORIDA”, and as such shall have perpetual succession.

#### Section 1-3. – Rights and liabilities in succession.

The City of Wildwood created and organized under this Charter shall succeed to, own and possess all property, real, personal or mixed, all uncollected taxes, dues, claims, judgments, decrees and choses in action, heretofore owned, possessed or held by the City of Wildwood under its former organization and shall have, exercise, and enjoy all the rights, immunities, powers, benefits, privileges, and franchises which are now possessed or held by it.

#### Section 1-4. – Obligations unimpaired.

No lawful debts, obligations, or contracts of the said City of Wildwood as created by Chapter 57-1950 of the Special Acts of Florida or 1957 as amended, and by the Charter adopted on December 2, 2003, as amended, shall be impaired or voided by this Charter; but such debts and obligations shall pass to and be binding upon the municipality which is hereby organized and created.

#### Section 1-5. – Validity of prior assessments unimpaired.

Nothing in this Charter shall be construed to impair the validity of any assessment of taxes by the City of Wildwood prior to the passage of the same or any tax sale made pursuant to any such prior assessment.

Section 1-6. – Assessments, etc., validated.

All tax sales and general and special assessments heretofore made by said City are hereby ratified and confirmed and declared to be legal and valid.

Section 1-7. – Authority continues to levy taxes and ad valorem taxes.

Neither the provisions of this Charter, nor the taking effect of the same shall in any way affect, alter, or impair the authority of the City of Wildwood to continue to levy in the same manner and to the same extent as it would be able to do were it not for the enactment of this Charter.

Section 1-8. – Corporate limits.

The corporate boundaries of the City of Wildwood shall be established by ordinance and shall remain fixed as existing on the date this Charter takes effect. The City of Wildwood shall have the power to change its boundaries in the manner prescribed by law.

Section 3-1. – Form of government.

The form of government of the City, provided for under this Charter, shall be that known as the “Commissioner-Manager” form.

Section 3-2. – Composition of City Commission.

There shall be a City Commission (hereinafter described as “Commission”) with the legislative powers of the City vested therein, except as otherwise provided herein. 2. *Exceptions.* All powers of the City, except as otherwise provided by this Charter or by state law, are hereby vested in the City Commission; and except as otherwise provided by this Charter or by state law, the City Commission may by ordinance or resolution prescribe the manner in which any powers of the City shall be exercised.

Section 3-4. – Functions and power of the Mayor-Commissioner.

The Mayor-Commissioner shall preside at meetings of the City Commission, shall retain all rights and privileges provided for members of the City Commission in this Charter, shall be recognized as head of City government for all ceremonial purposes, by the governor for purposes of military law, for service of process, execution of contracts, deeds, bonds, revenue certificates, negotiable instruments, evidence of indebtedness, or other instruments in writing to which the City shall be a party when authorized so to do by the City Commission, and as the City official designated to represent the City in all agreements with other governmental entities or certifications to other governmental entities. The Mayor-Commissioner shall have no other administrative duties except as required to carry out the responsibilities herein.

The Mayor-Commissioner shall have the right to vote upon all questions and matters before the City Commission, but there shall be no veto power vested in the Mayor-Commissioner. He or she shall vote last upon the roll call of City Commissioners.

Section 3-5. – Selection and duties of Mayor-Commissioner pro tem.

At the first regular meeting following each regular municipal election, at which meeting newly elected City Commissioners assume their duties of office, the five (5) City Commissioners shall select one of their number, exclusive of the Mayor-Commissioner, to act as Mayor-Commissioner pro tem. The Mayor-Commissioner pro tem, when selected by a majority vote of the City Commissioners voting, shall have all the powers and duties of the Mayor-Commissioner in the absence of the Mayor-Commissioner or his or her inability to act, whether by reason of his or her death, resignation, impeachment, sickness, mental or physical, or for any other reason and the City Clerk shall certify as to the absence from the City of the Mayor-Commissioner or his or her inability to act, upon demand, when the Mayor-Commissioner is absent from the City or unable to act.

Section 3-6. – Compensation and expenses.

The City Commission may determine the annual salary of Commission Members by ordinance. However, no ordinance increasing such salary shall become effective until the date of commencement of the term of Commission Members elected at the next General Election. Each Commission Member shall be entitled to reimbursement for allowable expenses in accordance with City ordinances.

Section 3-7. – Vacancies; forfeiture of office; suspension; recall; filling of vacancies.

1. *Vacancies.* A vacancy in the office of the Mayor-Commissioner or of a City Commission seat shall occur upon any of the following: upon the death of the incumbent; removal from office as authorized by law; resignation; appointment to other public office which creates dual office holding; judicially determined incompetence; or forfeiture of office as herein described.

2. *Forfeiture of office.* The City Commission shall have the power and authority to impeach or remove the Mayor-Commissioner or any member of the City Commission after due notice to said member and an opportunity to be heard in his or her defense. The Mayor-Commissioner or any other

Pursuant thereto:

- a. During the period of suspension, the Mayor-Commissioner or the Commission Member shall not perform any official act, duty, or function or receive any allowance, emolument, or privilege of office.

- b. If the Mayor-Commissioner or the Commission Member is subsequently found not guilty of the charge, or if the charge is otherwise dismissed or altered so that suspension would no longer be required as provided herein, the suspension shall be lifted by the City Commission, and the Commission Member or Mayor-Commissioner shall be entitled to receive full back allowances and such other emoluments as he or she would have been entitled to had the suspension not occurred.

5. *Filling of vacancies.*

- a. If, for any reason other than recall, a vacancy occurs in the office of Mayor-Commissioner, the Mayor-Commissioner pro tem shall assume the position of Mayor-Commissioner. A Special Election shall be called as outlined in Section 5-5(3)(a) of Article IV

within thirty (30) days following the occurrence of such vacancy. The Special Election for Mayor-Commissioner shall be for the remainder of the unfilled term.

b. Such appointments shall last until the next regularly scheduled election, at which time the seat shall be declared open and an election held for the remaining two (2) years of the original term, thereby continuing the original staggering of district seats.

c. If, for any reason other than recall, a vacancy occurs in the office of any City Commission seat within the last two (2) years of a term, the office shall be filled by appointment within thirty (30) days following the occurrence of such vacancy by a majority vote of the remaining Commission Members. Such appointments shall last until the next regularly scheduled election, at which time the seat shall be declared open and an election held for the regular four-year term.

d. If a vacancy occurs as a result of a Recall Petition, such vacancy will be filled by Special Election.

e. Any person appointed to fill a vacant seat on the City Commission is required to meet all the qualifications for office.

#### Section 3-8. – Conduct of meetings.

1. *Rules.* The City Commission shall conduct its meetings in accordance with Roberts Rules of Order. The City Commission may adopt its own rules and procedures from time to time by resolution or ordinance.

2. *Disruptive, disorderly persons; contempt.* The City Commission shall have the power to expel any member of the audience who is disorderly while the City Commission is in session.

#### Section 3-9. – Regular meetings.

On the second Monday in January, at 7:00p.m., the City Commission shall meet at the usual place of holding meetings, at which time the newly elected City Commissioners shall take office. Thereafter, the City Commission shall meet regularly at least once in every month at such times and places as the City Commission may prescribe by rule or resolution.

The meetings of the City Commission shall be open to the public, and any citizen shall have access to the minutes and records thereof at all reasonable times and under the supervision of the City Clerk of his or her designee.

#### Section 3-10. – Manner of calling special meetings.

Special meetings may be held on the call of the Mayor-Commissioner, Mayor-Commissioner pro tem, a majority of Commission Members, or the Manager upon proper notice to each Commission Member which may be served personally, transmitted by electronic mail to the address last filed by each Commission Member with the City Clerk, or left at the Commission Member's usual place of residence or business. The regularity or validity of any proceedings, taken at any special meeting at which a

majority of members of the City Commission and the Manager is present, shall not be questioned on account of any omission or irregularity in calling such special meeting.

The public shall be properly noticed as required under state law.

Section 3-11. – Required vote for City Commission action.

The affirmative vote of three members of the City Commission shall be necessary to adopt ordinances and resolutions. The vote on all ordinances and resolutions shall be taken by yeas or nays and entered in the minutes kept by the City Clerk or his or her designee. No other action of the City Commission shall be valid or binding unless adopted by the affirmative vote of a majority of a quorum present. No Commission Member shall be excused from voting, except on matters involving the consideration of his or her own official conduct or when his or her financial interests are involved.

The majority of the City Commission must be physically present to constitute a quorum. A lesser number may adjourn from time to time and compel the attendance of absent members in such a manner and under such penalties as may be prescribed by ordinance.

Section 3-12. – Committees.

The City Commission shall provide by ordinance or resolution for such standing and ad hoc committees as they deem necessary, fixing the number of members that shall compose each respective committee, and prescribing their responsibilities and duties.

Section 3-13. – Interference with appointment of employees or City officers.

1. *Appointments and removals.* Except as otherwise provided in this Charter, neither the City Commission nor any of its members shall in any manner dictate the appointment or removal of any City officers or employees whom the Manager or his or her subordinates are empowered to appoint. However, the City Commissioner may express its views and fully and freely discuss with the Manager anything pertaining to appointment and removal of such officers and employees.

2. *Interference with administration.* Except for the purpose of inquiries and investigations, the Mayor-Commissioner and the Commission Members shall deal with City officers and employees who are subject to the direction and supervision of the Manager solely through the Manager, and neither the Mayor-Commissioner nor the Commission Members shall give orders to any such officer or employee, either publicly or privately, except as provided herein. Nothing in the foregoing is to be construed to prohibit the Mayor-Commissioner or Commission Members from closely scrutinizing, by questions directed to the Manager and personal observation, all aspects of City operations so as to obtain independent information to assist in the formulation of sound policies to be considered by the City Commission. It is the express intent of this Charter, however, that recommendations for improvement in City operations by the Mayor-Commissioner and individual Commission Members be made to and through the Manager, so that he or she may coordinate the efforts of each department to achieve the greatest possible savings through the most efficient and sound means available. Nothing in the foregoing will preclude any Commission Member from giving an order to any City officer or employee who is in the process of performing an act which is in violation of this Charter, municipal ordinance or policy, state law, or in such a manner as to endanger life or property.

3. *Holding another office.* No former Commission Member shall hold any compensated appointive City office or employment until one year after the expiration of the term for which he or she

was elected. No individual may qualify as a candidate for public office who holds another elective or appointive office, whether state, county, or municipal, the term of which or any part thereof runs concurrently with the term of office for which he or she seeks to qualify without resigning from such office not less than ten (10) days prior to the first day of qualifying for the office he or she intends to seek. Said resignation shall be effective no later than the date upon which he or she would assume office, if elected to the office to which he or she seeks to qualify, the expiration date of the term of the office which he or she presently holds, or the General Election day at which his or her successor is elected, whichever occurs earliest.

Section 3-14. – Ordinances and resolutions.

Ordinances and resolutions shall be enacted as provided by general law.

Section 3-15. – Records of ordinances and resolutions.

1. *Codification of ordinances.* The City Commission shall keep a properly indexed book to provide for the authentication and recording in full of all ordinances adopted by the City Commission, and the same shall at all times be a public record. The City Commission shall further maintain a current codification of all ordinances. Such codification shall be printed and be made available to the public.

2. *Record of resolutions.* Every resolution shall upon its final passage be kept in a properly indexed resolution book and shall be authenticated by the signature of the presiding officer and the City Clerk. The record shall be verified with the resolution passed. After any resolution has been copied into the resolution book and authenticated by the signature of the presiding officer and the City Clerk, such copy shall be the official resolution, and certified copies of same may be obtained upon request.

3. *Minutes of meetings.* The City Commission shall keep minutes of all meetings in accordance with state law.

4. *Execution of ordinances and resolutions.* All ordinances or resolutions of the City Commission shall be signed by the Mayor-Commissioner or in the Mayor-Commissioner's absence, by the Mayor-Commissioner pro tem, or in the absence of both, by the Acting Mayor-Commissioner, and attested to by the City Clerk. A copy of any ordinance or resolution therefrom, certified by the City Clerk under the seal of the City, shall be received in evidence in any court of the State of Florida.

Section 3-16. – Certified copies of official documents admissible in evidence.

Certified copies of the records, papers, and books of the City and the City officials shall be admissible in evidence in all courts when certified by the lawful custodian of same and attested by said custodian under seal of the City.

Section 3-17. – Oath of office.

Every officer of the City shall, before entering upon the duties of his or her office, take and subscribe to an oath or affirmation to be filed and kept in the office of the City Clerk. Such oath shall be in the form prescribed for state officers by the Constitution of the State.

**ARTICLE IV. – ADMINISTRATIVE OFFICERS AND DEPARTMENTS**

Section 4-1. – Officers.

1. *City Manager.* There shall be a City Manager (“Manager”), who shall be the administrative officer of the City. The Manager shall be responsible to the City Commission for the administration of all City affairs placed in his or her charge by or under this Charter.

2. *Police Chief.* There shall be a Police Chief who shall be designated as the chief law enforcement officer of the City and shall be responsible to the Manager. The Police Chief shall be appointed by the City Commission upon recommendation of the Manager and shall serve under the direction and supervision of the Manager. The City Commission may, at its discretion, enter into a contract with a third party for the provision of law enforcement services. Where the City Commission enters into a contract with a third party, there shall be no need for a Police Chief.

3. *Limitation.* The offices of the Manager and Police Chief shall not be combined.

4. *City Clerk.* There shall be a City Clerk appointed by the Manager subject to City Commission approval, who shall keep the minutes and shall be records custodian.

5. *City Attorney.* The City Commission may employ an attorney or attorneys from time to time, or by the year, to perform such legal services as the City Commission may authorize, designate, and pay such attorney for services rendered.

Section 4-2. – City Manager: appointment; qualifications; compensation.

The City Commission may appoint a Manager who shall be the administrative head of the City government, under the direction and supervision of the City Commission, and who shall hold office at the pleasure of the City Commission. He or she shall receive such compensation as the City Commission may set by resolution or contract. He or she shall be chosen solely on the basis of his or her executive and administrative qualifications, without regard to his or her political belief, and shall be over the age of 21 years. The City Commission shall have discretion to require that the Manager reside within the City during his or her term of office, but he or she need not be a resident of the city, county, or state at the time of his or her appointment.

Section 4-3. – Acting City Manager.

During the absence or disability of the Manager, the City Commission may by resolution designate a person with sufficient experience and training to temporarily execute and undertake the executive functions and administrative duties of the office of City Manager.
